

**NINETY-NINES – SOUTHWEST SECTION
AIR & SPACE EDUCATION AWARDS FORM**

JANUARY 1, 20____ TO DECEMBER 31, 20____

Air & Space Education Awards will be given at the Spring Section Meeting. E-Mail or send by mail your completed form to your Southwest Section Air & Space Education Chairman no later than March 31st. There will be awards for large chapters (36 members and over) and small chapters (under 36 members).

Scoring: Number of members times (x) points per activity. The three activity scores are then added and divided by the number of members in your chapter for the final score. (Please note, some activities may not count toward this award; i.e. Planning a section meeting is a normal activity. If a member attends a seminar, visits a museum, etc., while at a section meeting, those would count).
