Catch a Tailwind,

Flying Tip of the Month: Taxiing in Crosswinds: Proper response to crosswinds is vital to maintaining precise aircraft control. Although the crosswind lifting effect on one wing usually will not overturn an aircraft, a strong crosswind and improper control positioning can upset and cause aircraft damage. For this reason, there are specific control deflections that must be used when taxiing in any type of crosswind.

Upcoming Events:

- July 4-8, 2018 International Conference, Philadelphia, PA.
- September 15, 2018 Fly now scholarship applications due to AEMSF Trustee (applicant must be a 99 by August 15th).
- October 4-7, 2018, SWS Fall Meeting, San Gabriel, Ca.

Nancy Davis Fouquet Memorial

By Dianne Lauren Cole

The memorial to celebrate the life of Nancy Fouquet was held in Los Gatos on Saturday June 2, 2018. Nancy was a long time and beloved member of the San Joaquin Valley Chapter of the Ninety-Nines.

The venue was a beautiful hall nestled under towering oak trees, and attended by over 150 family and friends. There were two other members of our chapter present; Pat Pearson, and Shirley Hughes, who flew in from San Diego to attend.

Also present was the late Betty Britton's husband. (she was also a long time chapter member, renowned for her culinary skills and cookbook author). It was good to be there and reminisce about fun times.

Nancy's husband, Richard, spoke of their long marriage and Nancy's love of the outdoors and her cabin in Pinecrest. Many humorous stories followed by many people who knew her well.

What may have been unknown or forgotten, is that Nancy was a skilled artist and UC Berkeley graduate in the field of Cartography, or map making. She parlayed this skill into creating The Pilots Guide. This book was required for flying before the iPad era.

It gave me great pleasure to announce the Nancy Fouquet Memorial Scholarship being offered by the San Joaquin Valley Chapter of the 99s. The family expressed gratitude for honoring Nancy in this manner. It meant a lot to Nancy's husband Richard and son Chris.

After the fun of storytelling, the family hosted a wonderful and delicious lunch; and in honor of Nancy's known preferences, various types of beer and other adult beverages were served.

Nancy was a good friend to many and will be missed by all.

called old lady.
I want to get leaner and meaner
